I understand that I am here to learn about nutrition and better health practices and that I will be offered information about food supplements and herbs as a guide to general good health and this is a personal ministry and spiritual counseling.

I fully understand that those who counsel me are not medical doctors and I am not here for medical diagnostic purposes or treatment procedures. I am not on this visit or any subsequent visit an agent for federal, state, or local agencies or on a mission of entrapment or investigation.

The services performed here are at all times restricted to consultation on nutritional matters intended for the maintenance of the best possible state of natural health and do not involve the diagnosing, treatment, or prescribing of remedies for disease.
